

Fuel Sales

Handling and record keeping for fuel sales split between propulsion and domestic.

New regulations have increased the complexity of handling diesel sales to pleasure users. Kudos' fuel sales module works alongside the well proven Kudos point of sale system to handle the record keeping and stock management aspects of this problem.

Kudos Software Ltd
Tel: +44 (0) 1548 843586
sales@kudos-software.co.uk
www.kudos-software.co.uk
