One Integrated System for Boat/Caravan Sales

- Share the stock file across your company
- Store detailed information on each unit
- Create workshop jobs and PDI's at the touch of a button
- Create orders on the system – no more manual writing of orders
- Dealer & factory fitted sales
- Fully integrated with Kudos Workshop and Retail Software

Promoting Sales

- NEW prospecting system matches your stock with your prospects
- Integrate images of your boats and vans
- Integrated customer /prospect database
- Print professional looking datasheets quickly and easily

Business Information

- See the true costs of your stock instantly – and the real margins you make
- Know what your van has cost in interest, workshop jobs & extra's
- Track all activity on a van from PO to delivery – and all the associated costs
- Full PX margin scheme & stock book record keeping

Reporting Tools

- Easy reports on stock sold and current stock values
- Produce commission reports
- See slow moving stock
- Download sales and stock data to Microsoft Excel
