

Welcome to the **Get Set** and **Fly** Kudos free Webinar programme

We've put this programme together to help you make the most of your Kudos solution in preparation for, and once, your shops are trading again. Anyone within the charity is welcome to attend, including those that are furloughed, so feel free to share the programme with others. To register your interest in joining the programme please email training@kudos-software.co.uk and you'll start to receive invitations to the training events.
